Carroll System, operated by Ride With Us, provides Carroll County's public transportation. Through demand response and TrailBlazer routes, Carroll Transit System serves the general public, older adults, individuals with disabilities and students.

Carroll Transit System offers four routes called TrailBlazers, that are open to the public. The routes operate in Westminster, Taneytown to Westminster, South Carroll, and Eldersburg to Westminster. Please pick up a TrailBlazer brochure for additional information. Go online to www.carrolltransitsystem.com for printable brochures and system updates.

TrailBlazer bus service is recommended where available. Door-to-door service or "Demand Response" is available in areas not currently being serviced by the TrailBlazers. Call our office at least 24 hours in advance of your trip. Zone fares are based on 5 mile increments from your pick-up point to your destination.
